

NO STAINS.

GUARANTEED

Removing stains is EASY with GLB® Stain Magnet!

1. Confirm the stain is metallic in nature. Ask your pool professional for help if you're unsure!
2. Use the GLB® Stain Magnet System according to label instructions.
3. Rebalance water and begin swimming!

Here's how the guarantee works...

- ✓ The *GLB No Stains. Guaranteed.* Program applies to residential in-ground or above-ground pools of up to 40,000 gallons.
- ✓ Carefully follow label instructions for *Stain Magnet* or the *Stain Magnet System* including repeat application if necessary. Old or deeply-set stains may require a second treatment.
- ✓ Stains must be metallic in nature for *Stain Magnet* to work. Your pool care professional can assist in determining the cause of your stain.
- ✓ If metallic stains persist after properly applying *Stain Magnet* as specified on the label, you may return to the retailer where you purchased your products for a refund. See conditions below for details.
- ✓ Use *GLB Sequa-Sol*® sequestering agent on a regular basis to prevent stains from recurring.

CONDITIONS:

- Applies to residential pools of up to 40,000 gallons only. Limit 1 refund per household.
- Label instructions on *Stain Magnet* or *Stain Magnet System* must be followed, including a second application if required. Guarantee is limited to removal of existing metallic stains and does not cover future occurrences.
- Guarantee is limited to replacement cost of *Stain Magnet* or *Stain Magnet System* only.
- Consumer must return to the retailer where the product was purchased and present store receipt, photo of pool with stain and a copy of your last clean water test for refund.
- Claim must be received within 60 days of purchase of the *Stain Magnet* or *Stain Magnet System* to receive refund.
- Cannot be combined with any other offer. Offer subject to change or termination at any time without prior notice. Void where prohibited by law.
- Claims shall only be accepted from owners of residential pools treated with applicable GLB products.
